The Jaycee Creed

We believe...

That faith in God gives meaning and purpose to human life.
That the brotherhood of man transcends the sovereignty of nations.
That economic justice can best be won by free men through free enterprise.
That government should be of laws rather than of men.
That Earth's great treasure lies in human personality.
And that service to humanity is the best work of life.

Mission

The New Castle Jaycees strive to make positive change happen in our local community, while developing leadership abilities and contacts to help with our professional careers.

Next Chapter meeting: Monday, June 19, 2017, 7 pm, at Court House Museum
