This month we have Summer concerts in Battery park Wednesday Aug 16 - we will be there making popcorn and listening to music

SOME JAYCEES HISTORY:

Our founder, Henry "Hy" Giessenbier, knew that young men could have a positive impact in business and their community. At a time when most young men finished school at the age of fifteen and only held one job, Hy's vision was unusual, but he knew that the twelve signers of the Declaration of Independence were all under thirty-five. Thomas Jefferson was thirty-three when he wrote the document's original draft.

Quote of the month:

"Because if you have a strong foundation like we have, then you can build or rebuild anything on it. But if you've got a weak foundation you can't build anything." - Jack Scalia
