SOME JAYCEES HISTORY:

Our founder, Henry "Hy" Giessenbier, knew that young men could have a positive impact in business and their community. At a time when most young men finished school at the age of fifteen and only held one job, Hy's vision was unusual, but he knew that the twelve signers of the Declaration of Independence were all under thirty-five. Thomas Jefferson was thirty-three when he wrote the document's original draft.

Quote of the month:

"Successful leaders see the opportunities in every difficulty rather than the difficulty in every opportunity."- Reed Markham
